The
South Jersey
Political bosses
are backing
Albio Sires
for Assembly.

South Jersey political bosses are backing and helping to fund Sires for Assembly because they know that Sires is a vote they can count on.

Instead funding schools and tax relief for our communities, Sires supported millions for schools Camden and tax relief in Camden.

And instead of supporting honest government, Sires has accepted donations from corrupt contributors such as Joe Barry and Gerard Lisa.

We deserve leadership that is honest and will put our communities first.

VOTE NO TO ALBIO SIRES.

Merecemos un liderazgo honesto que ponga a los intereses de nuestra comunidad ante todo.

VOTA "NO" A ALBIO SIRES.
